## Allergies and kids

The kids meals follow the same recipes as the adult dishes they are based on. The chicken strips are coated in a gluten-free crumb but are cooked in the same oven as dishes that contain gluten. Please tell your server about any allergy so the kitchen can confirm what is safe.

## Birthdays

Children celebrating a birthday receive a free scoop of ice cream with a candle. Families who want to bring a birthday cake should check the cake policy in the Restaurant Policies, since a per-person cake fee applies.
