The Garden Table - Payments, Tipping and Gift Cards

Payment methods in the restaurant

Both locations accept cash, debit cards, Visa, Mastercard, American Express, Apple Pay and Google Pay. Checks are not accepted.

Splitting the bill

We can split a bill up to six ways per table, by item or in equal parts. Please tell your server before ordering if you want separate bills.

Service charge and tipping

An 18% service charge is added automatically to bills for groups of eight or more. For groups of up to seven, tipping is optional and at your discretion. All tips are shared among the whole team, including the kitchen.
