The Garden Table - Restaurant Menu

The Garden Table is a casual restaurant focused on seasonal food, homemade sauces and locally sourced ingredients. This is the regular all-day menu, served at both the Downtown and the Riverside locations. During the winter season (December 1 to February 28) some dishes are replaced or repriced; see the separate Winter Seasonal Menu.

All prices are in US dollars and do not include the service charge that applies to groups of eight or more.
